

**Is your child's behavior hard to manage?**

**Are meal times a struggle?**

**Do you have trouble dealing with your child's use of tablets, video games, TV?**

## **The PATCH Program May Be for YOU!**

- For families with children 2.5-7 years-old.
- 13 classes, no fee!
- Compensation up to \$205.

The PATCH Program is a part of a research study to build healthy behaviors in families.
